Brief note about the college:

Vignan's Institute of Information Technology (VIIT) is established in the year **2002** in Visakhapatnam, the city of destiny, which is led by visionary, Dr. Lavu Rathaiah, Chairman, Lavu Educational Society. Vignan's Institute of Information Technology (A) is affiliated to the JNT University, Kakinada and is Re-Accredited by NAAC with „A“ Grade with a CGPA of 3.41/4.00 and is also accredited by NBA for five UG programs namely **Computer Science Engineering, Electronics and Communication Engineering, Mechanical Engineering, Information Technology and Electrical and Electronics Engineering branches**. UGC conferred the status of Autonomy in the year **2017**. The Institution has **granted recognition under section 2(f), & 12(B) of the UGC Act, 1956 in 2014**. The institute envisioned to be a recognized leader in technical education and is aimed at national excellence by creating competent and socially conscious technical manpower for the current and future Industrial requirements.

Theme of the Workshop:

“THE REVISED ACCREDITATION FRAMEWORK OF NAAC-2020: THE PRACTICE OF QUALITY INITIATIVES BY IQAC FOR THE QUALITY ENHANCEMENT IN HEIS”

Theme: To discuss the role of practicing quality initiatives, reforms, quality assurance and harmonization in HEIs.

Subthemes:

- Effective progression in the performance of academic and administrative affairs
- Modern methods of Teaching and Learning in HEIs
- Quality initiatives in Teaching - Learning and Evaluation
- Student progression-the importance of creativity and Innovation
- Quality initiatives of IQAC in the direction of new educational reforms in HEIs
- Best practices in HEIs
- Automation in the process of implementation of IQAC

Purpose of the Workshop:

Quality Initiatives and Evaluation Reforms in HEIs in India have been emerging as one of the most important key factors in the assessment and accreditation process. The overall quality of higher education is the main concern in policy framing and for that it has been made mandatory to obtain accreditation of Higher Education Institutions (HEIs) by the National Assessment and Accreditation Council (NAAC) to improve quality. The establishment of Internal Quality Assurance Cell (IQAC) by accredited institutions (after the first cycle) is one of the major steps in pushing long-term quality standards of the institution. Internal Quality Assurance Cell in VIIT plays a crucial role in maintaining the quality in all the directions. It is the administrative body which takes the prime responsibility to initiate, plan and supervise various activities that are necessary to increase the quality of the education imparted in any institution. The workshop focused on the various quality initiatives to be taken by Higher

Educational institutions in enhancing quality education starting from framing the curriculum to ensuring a highly specialized teaching fraternity in order to implement the best innovative practices in the institution. The main purpose of the seminar is to give inputs to the novice teaching fraternity and the administrative members on the ways of enhancing quality standards in teaching, learning and evaluation, promoting co-curricular, extra-curricular and other types of activities as a part of asserting quality in teaching, learning and evaluation, promoting stimulating and monitoring the internal evaluation and assessment of the students. Besides the above, the seminar enlightens the role of IQAC as an administrative body to administer various academic activities in the institution especially in conducting internal academic as well as administrative audits, taking feedback from students, parents and other stakeholders on quality-related institutional processes and incorporating it in the Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

VIIT is now offering Eight UG Programs (Civil Engineering, Computer Science, Electronics and Communication Engineering, Mechanical Engineering, Information Technology, Electrical and Electronics Engineering, Electronics and Computer Science and Artificial Intelligence and Data Science) and 10 PG Programs including 8 M. Tech Programs (MD, P&ID, ECE, DECS, AI&ML, CSE, IT, TE), MBA, MCA with the Annual intake of 1584 and 5000+ students studying every year at UG and PG Level. The institute is being recognized by JNTUK, Kakinada as Research Centre for Advance Research activity and also recognised by Govt. of Andhra Pradesh with 'A' Grade in terms of Key performance Indicators in Engineering Education. The institute consistently achieving more than 85% placements every year with the highest annual package of Rs. 24 Lakhs per annum from companies like, AMAZON, Microsoft CISCO etc.

OBJECTIVES OF WORKSHOP

1. To obtain strategic initiatives for sustainable quality enhancement.
2. To enlighten self-confidence to strengthen the existing standards of institutions in the direction of revised accreditation framework of NAAC.
3. To imbibe the consistency, accountability and innovative thoughts through IQAC in Higher Education Institutions

ABOUT WORKSHOP

In this two-day workshop on field of practice of quality initiatives by IQAC for the quality enhancement in Indian higher education system is on the brink of great transformations to cope with global competence. The workshop focuses on the various quality initiatives to be taken by Higher Educational institutions for the enhancement of Quality education i.e., from the Curriculum Framing, Ensuring a highly specialized teaching fraternity to implementing innovative best practices in the institution, To maintaining quality standards in teaching, learning and evaluation, Promoting co-curricular, extra-curricular and other types of activities as a part of asserting quality in teaching, learning and evaluation, Promoting stimulate and monitoring the internal evaluation of the students, e.g., tests, tutorials, assignments, practicum's, and projects etc. In addition to the above, the workshop is also proposing to enlighten the importance of IQAC as a capable body to administer various academic/educational activities in the institution like, conducting internal Academic as well as Administrative Audits, Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes and Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

EXPECTED OUTCOME

The participants shall be able to understand the Initiatives to be taken in the direction of new educational reforms in assessing the quality education vis-à-vis revised NAAC Accreditation process 2020.

KEY NOTE SPEAKER

Eminent speakers from reputed organisations like, IIT's, NIT's, Central & State Universities and Accredited Agencies

Who can Participate?

Senior Faculty from HEIs, Administrative Officers, College Principals, IQAC and NAAC Co-coordinators shall constitute the participant group of this National Workshop

HIGHLIGHTS OF THE EVENT – AT A GLANCE:

The NAAC sponsored **TWO DAY NATIONAL Workshop** on “**The Revised Accreditation Framework of NAAC-2020: The Practice of Quality Initiatives by IQAC for the Quality Enhancement In HEIs**” was organized with the name **IQACNLW-2021** on 14 and 15 May 2021 by the IQAC, Vignan’s Institute of Information Technology, Visakhapatnam, Andhra Pradesh through Online-Webinar Mode.

About Key note speakers: Well experienced and versatile key note speakers with more than 25 years of experience in handling various administrative positions like Director, Dean, Principal, Rector, Vice Chancellor are identified from various premiere Autonomous Institutions, Universities and State Government Bodies like State Council for Higher Education. Each and every speaker possessed sound knowledge on the NAAC accreditation process.

The Workshop started with the Inaugural session on 14 May 2021 at 10.30AM, followed by Technical Sessions. **Dr. B. Arundhati, Principal** and **Dr. V. Madhusudhana Rao, Rector** of Vignan’s Institute of Information Technology inaugurated the Workshop. Dr. Ch. Hari Govinda Rao, Dean IQAC acted as Convener of this seminar, IQACNLW-2021. In the opening remarks **Dr. Ch. Hari Govinda Rao, the convener**, presented “the objective of NAAC in Assessment and Accreditation is to make quality the defining element of higher education in India through a combination of self and external quality evaluation, promotion and sustenance initiatives”. Dr. B. Arundhati, Principal emphasized that colleges who applied best practices in Teaching Learning had positive impact on their assessment and accreditation process earning them the expected NAAC grade or score. Dr. V. Madhusudhana Rao, Rector and the Chief Guest highlighted the importance of NAAC accreditation. He reiterated the impact created by the NAAC Accreditation in providing conducive ambiance among stakeholders and society. After inaugural session, the technical sessions started from 10.30AM.

In order to meet the event objectives, **IQACNLW-2021** is categorized into **SIX** technical sessions. The Resource Person for the first session is **Prof. K. Ramamohan Rao, AP State Director Internal Quality of HEIs & Vice chairman, Andhra Pradesh State Council for Higher Education (APSCH)** who presented various Philosophies of Quality Enhancement, Criteria-wise preparation for NAAC. He highlighted the key aspects of Quality initiatives in the direction of Educational Reform as per the New Educational Policy. He elaborated in detail about the major reforms assessment and evaluation system in HEIs.

Conflict Management

Every conflict we face in life is rich with positive and negative potential.

It can be a source of inspiration, enlightenment, learning, transformation, and growth –
or
of rage, fear, shame, entrapment, and resistance.

The choice is not up to our opponents, but to us, and our willingness to face and work through them.
