

VIGNAN's INSTITUTE OF INFORMATION TECHNOLOGY
(AUTONOMOUS)

(Approved by AICTE-New Delhi & Affiliated to JNTUGV, Vizianagaram)
Beside VSEZ, Duvvada, Vadlapudi Post, Gajuwaka, Visakhapatnam - 530 049.

7.1.7 Facilities for Differently-abled (Divyangjan) friendly, barrier free environment

Geo-tagged Photos of facilities for disabled-friendly and barrier-free environment

Ramps for easy access to classrooms:

Ramps are provided in all the buildings of VIIT to ensure accessibility for individuals with disabilities and mobility impairments. It promotes inclusion and equal access to education and other facilities.

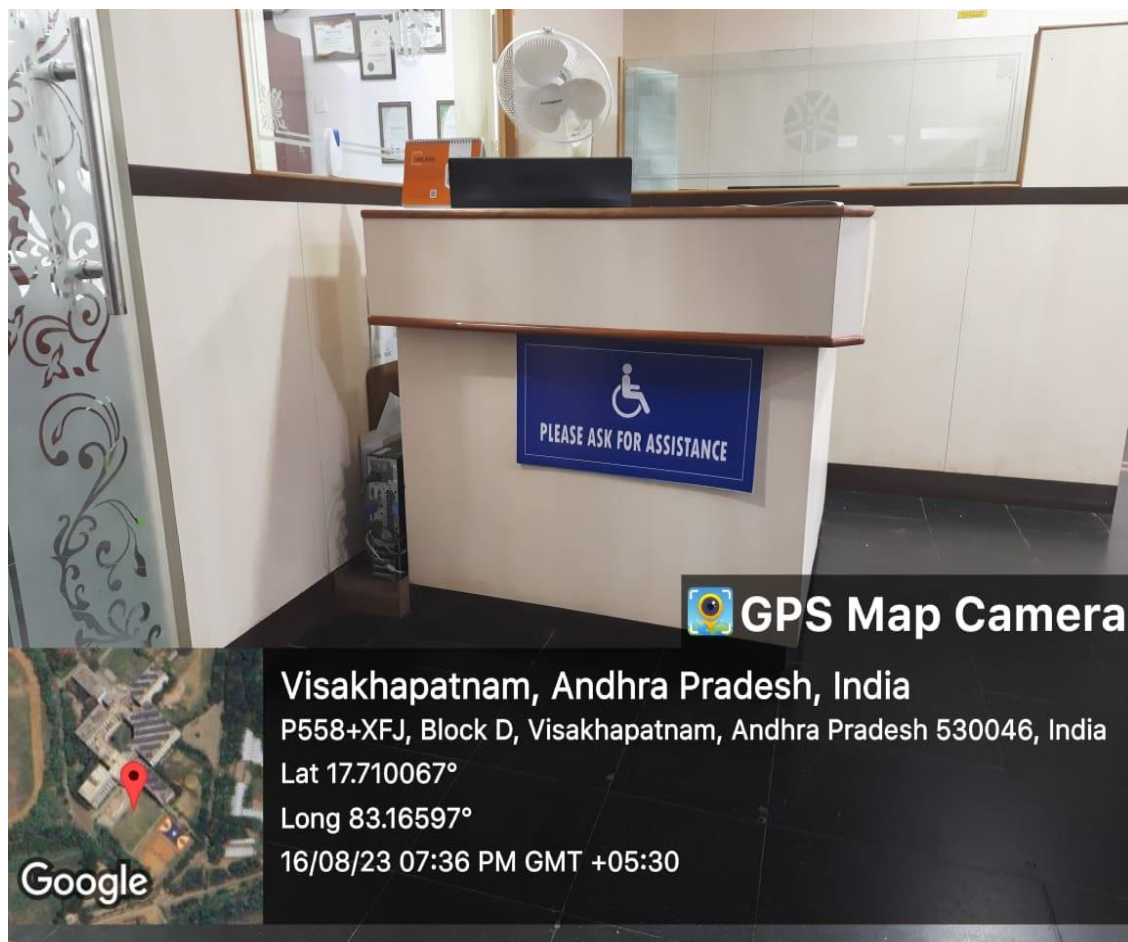

Ramps for physically handicapped students to move in the campus and go to classrooms, Seminar Halls, Laboratories

VIGNAN's INSTITUTE OF INFORMATION TECHNOLOGY
(AUTONOMOUS)

(Approved by AICTE-New Delhi & Affiliated to JNTUGV, Vizianagaram)
Beside VSEZ, Duvvada, Vadlapudi Post, Gajuwaka, Visakhapatnam - 530 049.

Provision for enquiry and information: Human assistance

Human Assistance providing at the Administrative Block

Provision to move in the college with assistance:

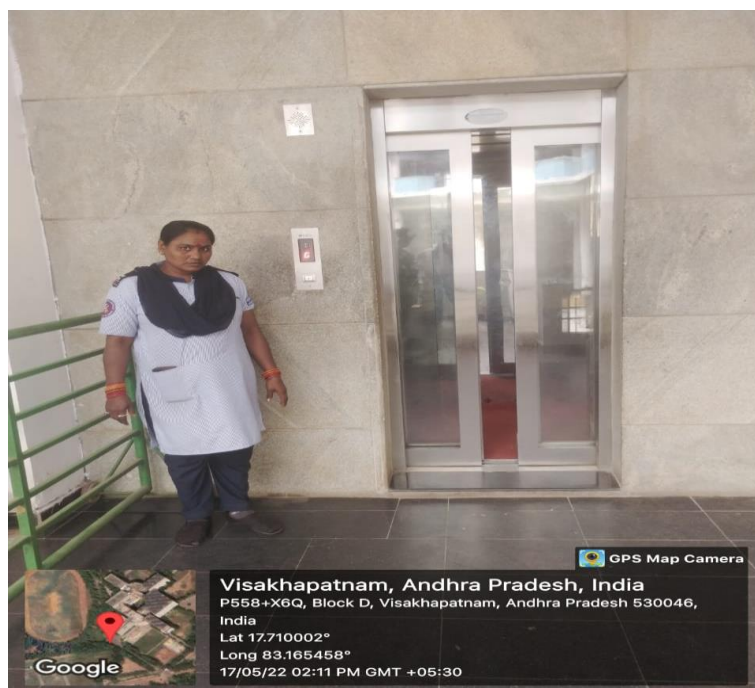

Wheel chairs are Transportation aids for Physically Challenged students to move inside the campus

Lifts for easy access to classrooms and centres:

By providing lifts in all the buildings of VIIT, students, faculty, and visitors with mobility impairments can easily access classrooms, seminar halls, laboratories, departments, and other central facilities without any barriers.

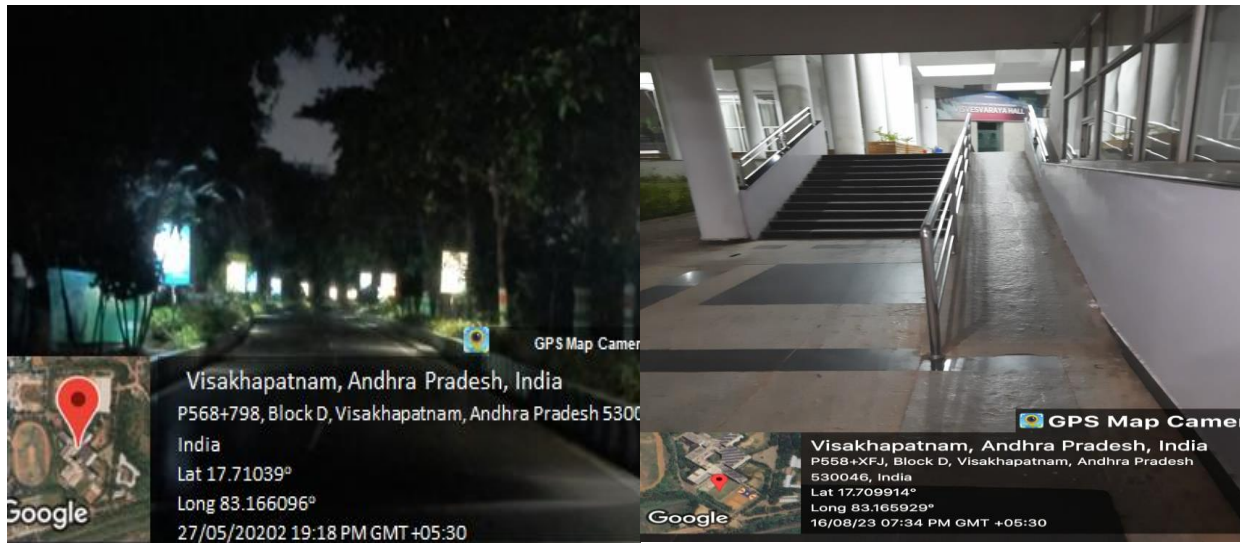

Vertical transportation systems, like lifts, facilitate convenient access to classrooms and centres within the college campus.

Signage including lights, display boards and signposts:

Separate pathways and ramps are provided from the main gate to all the buildings of VIIT, along with enough lights, Sign Boards and direction boards. This ensures that visitors and users can easily navigate the area and find their way to their intended destination. Inclusion of lights, signboards, and display boards at regular intervals of spaces is also an important aspect of wayfinding and accessibility. These features help to provide clear and visible information about the surrounding environment, including any potential hazards or obstacles.

Signage including display boards and signposts

Other Facilities at Laboratories:

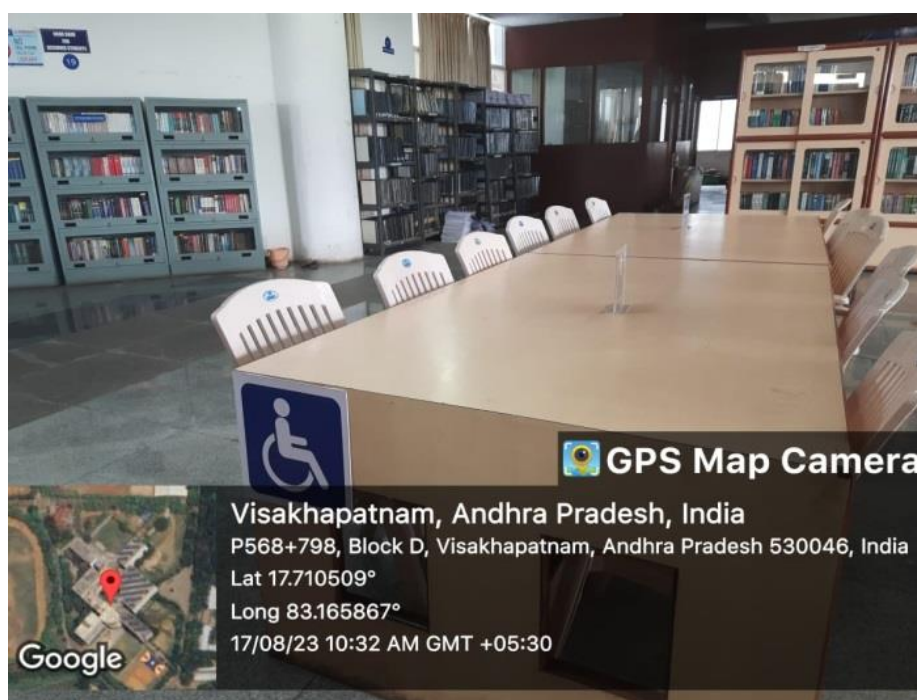

Inclusive Resources: Providing Equitable Access to Laboratories

Other Facilities at the Library :

Reader Facility Available at Library Department

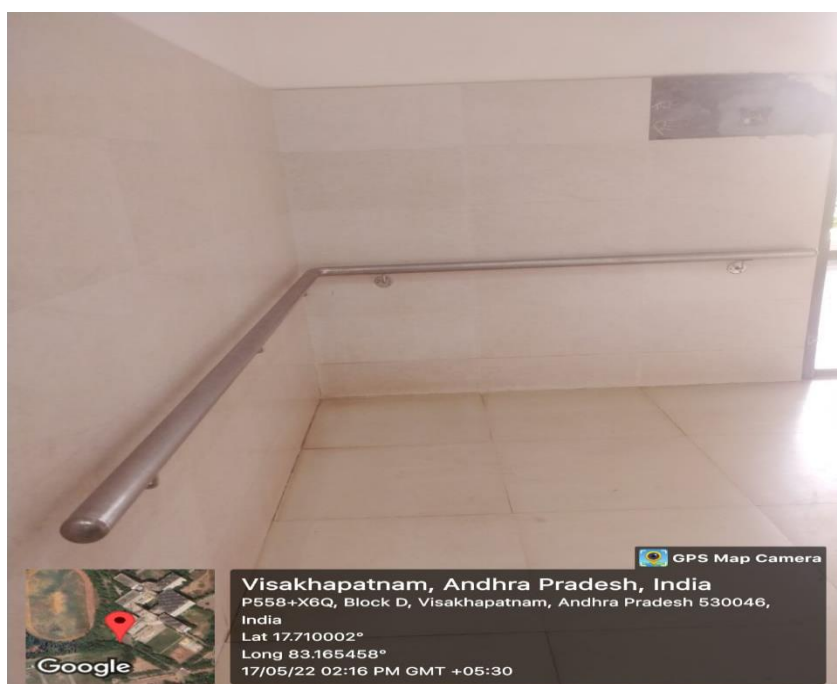

Inclusive Resources: Providing Equitable Access to Libraries,

and More for Divyangnan persons

Divyangjan friendly washrooms:

Specially designed washrooms are provided with all the necessary provisions such as grab bars, accessible sinks, toilet seats at an appropriate height, wide doors for wheelchair access, non-slip floors, and visual aids for the comfort of Divyangjan students and staff is an important step towards creating an inclusive and accessible environment.

Inclusive facilities like accessible washrooms in the college cater to the needs of disabled students and staff, promoting equal participation and comfort

Assistive technology and facilities for Divyangjan accessible website, screen-reading software, and mechanized equipment:

Wheelchairs, electric vehicles, and e-rickshaws are being made available for the free movement of Divyangjan students and staff. This is an important step towards promoting inclusion and accessibility in VIIT. These mobility aids can help to remove physical barriers that may prevent Divyangjan students and staff from accessing classrooms, offices, and other areas of the campus. They can also increase independence and enable individuals to move around more easily and efficiently.
